

Instructions to Sign Up for Shows

1. Go to texascolorguardcircuit.org
2. On the right side of the home screen, sign in using your email address and password.
Note: If you have not yet registered your username or unit(s), at the top of the home screen, hover over **Members** and click on **User Registration**. Fill out the fields and click **Register**. Contact office@texascolorguardcircuit.org with questions and technical support.
3. Once logged in, click on **Units**.
4. Click **Edit** to the right of the unit that you would like to sign up for shows.
5. Under the address and contact info for your unit, you'll see a section titled "Select Shows:". Click on the checkbox next to the shows for which you would like to sign up. Be mindful to click on the correct show at each venue. For example, color guards should not sign up for percussion shows.
Note: You will only be allowed to sign up for 3 total shows until November 1st.
6. Once you've made your show selections, scroll to the bottom of the page and click **Update**.
Note: If you have more than one unit, click on **Manage > Units** on the upper navigation bar, and repeat steps 4 through 6.
7. Congratulations! You've successfully signed up for shows. If you revisit your unit's edit page, you will see check marks next to the shows you've signed up for.
