

SCHOLASTIC ELIGIBILITY CERTIFICATION FOR COMBINED SCHOOLS

Schools within the same district are allowed to combine students but have additional requirements to satisfy scholastic eligibility certification.

*Each participating school will need to complete a Scholastic eligibility certification form listing all the students participating from that school or representing that school. The principal from each school must sign their respective forms.

*Each competing scholastic group using students from multiple schools within a district also must submit a copy of the written school district policy that allows sharing of resources within the district to the satisfaction of TCGC.

EFFECTIVE DATE OF CERTIFICATION FORM: _____

Instructions: Fill in all blanks with appropriate information. All entries from scholastic units **MUST** have the signature of the school principal. Please turn this form into the check in table when you arrive at your first competition. A fully competed form must be on file with the contest director before the unit will be allowed to compete in any TCGC sponsored event, and **MUST BE UPDATED** if any changes to the membership occur.
