All TCGC contest sites must have a minimum of seventy by one hundred feet (70' x 100') to accommodate a "safety zone" of five (5) feet from any spectator seating. If no spectators are seated on the left and right sides, then the safety zone will be eliminated on the left and right sides of the competition area and extend to the wall.

The "competition area" at this event measures 90' X 60'. All performing groups must prepare to perform within that area. The safety zone at this event will extend into the front and back stands. Floors (tarps) may not extend into the safety zones per rules found in the WGI Adjudication Manual and Rulebook.
